"The major part of the moving papers," said Judge Hough, "is taken up with complaints of the inequity of a proposed plan of reorganization. I do not think that courts sit to redraw or modify or make suggestions concerning such voluntary business arrangements as reorganization plans."

Refuses to Consider Charge.

Judge Hough also refused to consider the charge made by the protective committee that the suits were brought against the company through the collusion of its directors and the bondholders. This allegation, he said, although 

communicated to the receiver himself. They should lay their complaint before him. If, after consultation with the receiver and possible application to the Chancery Court of New Jersey, their complaint is not deemed worthy of being advanced through the receiver, it is not worthy of being advanced at all."

According to Judge Hough, the Guaranty Trust Company, which is the trustee of the International Steam Pump mortgage, has agreed to give the New Jersey receiver time to decide upon the course he shall take with reference to the allegations of the preferred stock

The heavy demand for light section rails to be used as portable track in the authorities to the Kalman case, having received a letter from one of Kalman's alleged victims. The State Department of Labor also investigated the case in conjunction with Post Office Inspectors Mayhew and Twain.

Kalman was held in \$1,000 bail for a pound, equivalent to \$28 per gross ton, the same as standard section rails. France and Russia have already purchased from 40,000 to 50,000 tons of light section rails here, as reported several months ago, and the Russian Government is still negotiating for 175,000 to 200,000 tons of forty-two pound rails.

George B, Caldwell, president of the

chancellor Stevenson in New Jersey an order for the receiver to show cause why he should not oppose the foreclosure action or allow the protective committee to do so. The order is returnable next Monday in Paterson. In a statement yesterday the committee said:

"The Vice-Chancellor stated that technical defences should not in his opinion be allowed to interfere with substantial rights of stockholders, and that if it was necessary that order to show cause the committee of structural steel will be used, having an estimated value of \$75,000. The same railroad has placed contracts for eleven small bridges requiring 200 tons of fabricated shapes. Two of the spans will be constructed by Lewis F. Shoemaker & Co. and the other nine spans by the Fort Pitt Bridge Company.

Bostok held by him at meetings of the trading stamp company and also demands an accounting.

Mr. Caldwell said that Mr. Hutchinson has had no connection with the company since 1904, at which time he sold his stock interest to Mr. Sperry.

Boston HERALD' SOLD in the same railroad has placed contracts for eleven small bridges requiring 200 tons of fabricated shapes. Two of the spans will be constructed by Lewis F. Shoemaker & Co. and the other nine spans by the Fort Pitt Bridge Company.

Boston Held by him at meetings of the trading stamp company and also demands an accounting.

Mr. Caldwell said that Mr. Hutchinson has had no connection with the company since 1904, at which time he sold his stock interest to Mr. Sperry.

Boston Held by him at meetings of the trading stamp company and also demands an accounting.

Mr. Caldwell said that Mr. Hutchinson has had no connection with the company since 1904, at which time he company since 1904, at which time he company since 1904 at which time he company since 1904

by the Fort Pitt Bridge Company.

Steel building contracts have just was necessary that orders should be entered to cover such technical defences, unless ground was shown to him on Monday why they should not be entered, proper orders would be made.

The joint reorganization committee reserved at a meeting declared the plan as received liberal support of the assessment of \$12.50 per share upon the assessment of \$12.50 per share upon the assessment entered to cover such technical defences, and the following statement:

"The assessment upon the preferred stock, annot accurately be determined until after that date. It will probably be in the neighborhood of \$14.50 per share, inasmuch as about 90 per cent. He plan has received liberal support from all classes of securities. While the announcement of the definitive figures must await final advices from the depostaties in London, Amsterdam and bonds, 84 per cent.; International bonds, 84 per cent.; Holly Manufacturing Company shords, 85 per cent.; Henry R. Worthington preferred stock, 90 per cent.; Holly Manufacturing Company bonds, 85 per cent.; International preferred stock, 90 per cent.; Holly Manufacturing Company bonds, 85 per cent.; International preferred stock, 90 per cent.; Holly Manufacturing Company bonds, 85 per cent.; International preferred stock, 90 per cent.; Holly Manufacturing Company bonds, 85 per cent. TRENTON, N. J., Sept. 14.—Concerted cition, in the name of the State if possible, will be taken to put an end to the general contract for furnishing and laying pipe for the waterworks at Watervilons of New Jersey situated in the New York freight zone, as the outcome of a conference called by Gov. Fielder and attended to-day by representatives of a dozen municipalities together with various trade organizations throughout the city of Louisville, Ky. Lincoln S. Flemington, who secured the general contract for furnishing and laying pipe for the waterworks at Waterville, has ordered 5,000 tons of 20 inch pipe and 1,000 tons of 15 inch and 18 incordance with the terms of the mortages that the property has been sold. The notice stipulated that 10 per cent. of the purchase had to be paid in cash at the time of sale.
